TW5 USN CY26 CYCLE 2 PFA 10 WEEK NOTICE

This serves as the 10-Week Physical Fitness Assessment Cycle 2 2026 Notice for TW-5 USN **students.** All medically cleared USN members are required to participate in all three fitness modalities (push-ups, forearm plank, cardio or alternate cardio) to determine their PFA cycle overall score. A current PHA is required to participate in any portion of the PFA. All PARFQs must be completed by 30 September. If you answer yes to any of the questions you are required to print your PARFQ and get clearance from medical to participate and return the completed form to me during BCAs.

USN personnel will have access to physical readiness information through the MyNavy portal and will need to electronically submit their Physical Activity Risk Factor Questionnaire (PARFQ) via MyNavy portal. Please ensure PARFQ and medical waivers are printed and readily available for the CFL. All BCAs will be conducted in the TW-5 HITU Conference Room (Rm and will be performed by the CFL and ACFL representatives on the dates indicated below. All members must be in the official NAVY PTU, no exceptions. No courtesy BCAs will be performed during the actual days of the BCA, but you can seek out the CFL or ACFL prior for a courtesy BCA.

All PRT participants must perform testing in the official NAVY PTU. “Bad day” PRTs will be discussed with the CFL on a case-by-case basis. All retests must be completed within 7 days of a PRT Failure. Alternate cardio options for retest (Bad Day) will be authorized on a case-by-case basis. Any questions or concerns, please contact me directly and I will be happy to assist.

The PFA Cycle 2 2026 schedule is found below and will be posted in TW-5 STUCON spaces with sign-up sheets to indicate which time slot/cardio option you plan to attend. All alternate cardio evolutions will be held at the NASWF gym. All run evolutions will be held by the archery range on USS Intrepid Rd.

BCAs for TW-5 students

PRTs for TW-5 students (run only unless medically waived)
16 Nov 2026
18 Nov 2026

The intent is to have everyone complete prior to Thanksgiving to avoid conflicts with the holiday leave period. If something comes up and you are unable to meet one of these dates, please contact me as soon as possible to coordinate.
POC: CDR Cody Keef.

How to print OMPF (RED/DA)

1. Search USN Quicklinks: “BOL navy” (Bupers)
2. CAC login
3. Select “Official Military Personnel File (OMPF)”
4. Select yes to continue
5. Select “OMPF Documents”
6. Click on document date. Print out the last two documents by date. “Record of Emergency Data” & “Emerg Data RCD DEP APP”
7. Save document even though it is blank. Open in adobe. Print
8. Turn them in!

Print each squadron's (VT-2, VT-3, & VT-6) flight schedules from CNATRA Web Schedules at https://www.cnatra.navy.mil/scheds/ Monitor radio, call FEDFIRE (623-7193 / 1-850-232-1905) in the event of an aircraft MISHAP. See "Radio and Notification Procedures" on second page. Notify FEDFIRE (623-7193 / 1-850-232-1905) and TW5 CDO (1-850-637-2793) when last plane on deck and departing for the day ----- PM CTODO Departure: On the URC-200 radio (large black radio), Press button 0, then press 2 to tune radio to VT-6 Base (355.550). UOD: FLIGHT SUITS
CTODO AM/PM NOTES UPDATED: 21JAN2026	Monitor radio for inbound aircraft (ie "North Whiting Traffic CALLSIGN 15 miles northwest Inbound Full Stop", "CALLSIGN on final", etc) If you do NOT hear a "Clear of runway" call from the aircraft following landing, then call the aircraft on the URC-200 radio "CALLSIGN (Black Bird/Red Knight/Shooter/Texan), this is the CTODO, verify you are safe on deck" If you do not hear the "Clear of runway" call or you do not visually see the aircraft

	AND the aircraft does not respond to you on the radio, then call FEDFIRE (623-7193 / 1-850-232-1905) to investigate for potential MISHAP. If a MISHAP is confirmed, notify TW5 CDO (1-850-637-2793) immediately. Provide Aircraft Callsign, Time, Location (ie Runway 23) and any pertinent info you have at the time. DO NOT DELAY NOTIFICATION FOR INCOMPLETE INFORMATION. TW5 CDO will then coordinate with the appropriate Squadron FDO, notify Wing OPS, and notify Base ODO. UOD: FLIGHT SUITS
